CHILE DECLASSIFICATION PROJECT

Documents on the Disappearance of Boris Weisfeiler

These documents related to the 1985 disappearance in Chile of Boris Weisfeiler were retrieved and released during the preparation of the third and final tranche of the Chile Declassification Project. They will form part of the Tranche III release scheduled for September 2000, along with any additional documents on the disappearance of Boris Weisfeiler that may be identified for release before that date.
